Academy of Professional Coders

*Certified Professional Coder*

Mary Beth Stamps is a Principal in the Medical Practice Management division of Decosimo’s Knoxville office. With her fifteen year background as a registered nurse emphasizing on Critical Care, she specializes in CPT and ICD-9 coding, as well as coding compliance.

Mary Beth’s physician services includes audit, evaluation of physician’s practices and fee schedule analysis. She also serves as a liaison between insurance companies and providers and offers OSHA training and evaluations. In addition, Mary Beth also suggests marketing strategies for physicians and their groups.

As a Certified Public Coder (CPC), Mary Beth is required to complete at least 18 hours of continuous education on an annual basis. She meets this requirement by attending seminars and reading several coding publications a month. Mary Beth also speaks periodically at the Knoxville chapter of the American Academy of Professional Coders.

She graduated with honors from Knoxville’s Fort Sanders School of Nursing in 1985 with her diploma as a Registered Nurse. In 1993, she obtained her Bachelor of Science degree in Business Administration, with honors, from the University of Tennessee at Knoxville.

Mary Beth is a member of the Academy of Professional Coders and a Certified Professional Coder.
